

VisaScreen® Expedited Review Service

for applicants who have a *Request for Evidence* or deportation deadline

To apply for the CGFNS Expedited Review Service, eligible *VisaScreen*® applicants will need to call the CGFNS Customer Service Center on +1 (215) 349 8767, between the hours of 8am and Noon U.S. Eastern Time to receive instructions. Requests for CGFNS's expedited service for *VisaScreen*® must be accompanied by

- a copy of the *Request for Evidence* (RFE) form from the U.S. Citizenship and Immigration Service (USCIS) or
- official notification of the pending expiration of a visa or licensing application.

Misrepresentation of such documents may result in sanctions, including, but not limited to, the sealing of the applicant's file, and notification of such actions to USCIS and the relevant licensing board.

CGFNS will need an online credit card payment of \$500. CGFNS will then perform the necessary review within five business days and, if all requirements have been successfully met, issue a *VisaScreen*® certificate. The *VisaScreen*® certificate will be sent via next business day delivery air mail. Applicants who are ineligible for a *VisaScreen*® certificate based on the review of their documents will be notified. Fees for the Expedited Review Service are not refundable.
